

## Team Analysis

- Diagnose the readiness level of each team member.
- Determine their TriMetrix profile.
- What Leadership style will you employ with each member?
- What are the implications of DISC(MAP) and TriMetrix on how you will manage them?
- What potential challenges do you anticipate?
- Use this information to complete the Team Style Analysis Table.

### Team Analysis Table Task Specific

Team member	DISC	Values	D1-D4	S1-S4	Ldr style	RB	LB
WD1-D4 = Development Level S1-S4 = Required Leadership Style							
Ldr Style = Leader’s Primary Style RB/LB = Right brain/Left Brain activity
